

Management Accounts - June 2026 YTD

Larkspur Transit Analytics Limited | final management pack

COMPANY	DATASET	STATUS
Larkspur Transit Analytics Lim	SYN-LARKSPUR-2026-314159	Synthetic

Executive summary

Revenue for the six months ended 30 June 2026 was EUR 7,650,000 and gross profit was EUR 5,049,000.
Reported adjusted EBITDA: EUR 1,410,000. Baseline ledger EBITDA before the transformation adjustment was EUR 1,230,000.

Adjusting items

A transformation adjustment of EUR 180,000 was added back. Supporting invoices and an approved restructuring plan were not included in this room.

Outlook

Management expects second-half revenue conversion to depend on the Harboursight expansion and Mosaic renewals. Forecasts are not guarantees.
